

THE PIANO ACADEMY

I am writing to attest to the musical accomplishments of Soha Aggarwal , who has been training under my guidance at 88- The Piano Academy since she was in the 6th grade in 2018.

Soha first met me as a shy but talented student, keen to grow in her musical journey, and I can vouch for her personal and musical growth during this time period. She came out of her shell and performed wonderfully, both on stage as well as in her private lessons and practise. She is a confident, and capable musician, with an array of knowledge and experiences in her arsenal.

During this time, Soha has demonstrated exceptional dedication and skill in her musical studies. Notably, she has participated in a performance at the prestigious Royal Opera House, where they skillfully performed "For Your Eyes Only" by Sheena Easton. This performance was a testament to her growth and musical ability.

In addition to her performance experience, Soha has successfully cleared numerous Trinity level examinations under my tutelage, with the most recent accomplishment being the completion of Grade 7. Her consistent progress through these rigorous examinations reflects her commitment to excellence in music.

In addition to this, she was part of a few select students at the academy that were part of The Music Appreciation Club - which taught and exposed the students to a variety of excellent initiatives - like composition, the nuances of music making, composition and much more! Two notable personalities the group worked with were OAFF(composition) and Ajay Mistry (piano technician), who are both extremely well known across the country in their respective fields.

I have full confidence in Soha's abilities and believe that she will continue to excel in her musical endeavours. If you require any further information, please feel free to contact me.

Thank you for your attention to this matter.

Sincerely,
